Can my dog eat that?

Food safety chart for dogs

No: never feed

- Alcohol
- Candy & chewing gum
- Chocolate
- Coffee & caffeine
- Cooked bones
- Grapes & raisins
- Hops
- Macadamia nuts
- Mouldy food & compost
- Nutmeg
- Onions & garlic
- Pecans
- Raw bread dough
- Rhubarb
- Salty foods
- Star fruit (carambola)
- Tea
- Walnuts
- Xylitol (sugar-free products)

If your pet ate something toxic

1. Take away what's left and keep the packaging.
2. Note what it was, how much and when.
3. Call your vet or an animal poison line right away.
4. Don't make your pet vomit unless told to.
